

# STADIO

The attractive design of the STADIO bracket fits perfectly into a wide range of environments. The range is recognisable by its dynamic lower veil, which provides the perfect combination with modern Schröder luminaires.

The STADIO bracket is available in several variants for single, double, side or wall mounting. It is made of galvanised steel and can be ordered in all standard Schröder colours.

Certified for the loads defined in the EN40 standard, the STADIO range can be installed on poles for CE marking.

## Technical information

### GENERAL

Housing	Galvanised steel
Finish	Polyester powder-coating
Colour	AKZO 900 grey sanded Any RAL or AKZO colour upon request

Pull wire included	Yes, for post-top versions
Seaside coating	Available upon request

### DIMENSIONS

## PRODUCT VARIANTS

Type	Length (mm)	Reference	To pole			Wall	To luminaire		
			Diameter	Tube penetrating (male)	Lateral on pole min. diameter		Diameter	Enclosing (female)	Penetrating (male)
